Friday 22nd May 2020

Monday 20th July 2020

Welcome Back

Welcome back to everyone after the summer break. All of the children in school have quickly settled back into routines in their classrooms with their new teachers. I know you will join me in welcoming the new families who have joined us this September in Nursery, Reception and other year groups across school. Thankyou to our PTFA who held a coffee morning earlier today to meet some of our new parents.

We also have some new additions to our staffing team this year:

Mr Edward Dando—Year 5

Mrs Michele Evans—Year 2

Miss Molly Baggott—Year 3

Mrs Debbie Hollington—Teaching Assistant

Mrs Gaynor Hegarty—Office

Mrs Lindsey Darbey—Office

Website

You may have noticed over the holidays that our new website went live. Hopefully you will find this a really useful resource for information about school and events that are happening. This is also linked to a parent app for your mobile phones which you have access to through the app store. Over the next couple of weeks we will be working to develop the app as it will be the quickest and easiest way for you to gain information and messages from school. Please bare with us while we get these systems sorted to be the most efficient, It does mean that until then, you may have paper copies of letters coming home.

After School Clubs

Our list of After School Clubs will be sent out on Monday next week, ready to start on Monday 16th September.

Home/ School Communication

Our communication with parents is so important in a child's journey through school. If you have a question, worry or concern, please contact the office by phone or email and a teacher will always get back to you. Also, there is always a member of staff available in school care club when the doors open on a morning.

House Points Weekly total results:

1st - Summer 2nd - Blue
3rd - Green 4th - Red

School Lunches

We have a new menu starting on Monday for school lunches. This can be found on the website. As part of the menu, jacket potatoes and sandwiches/wraps will be available at the hatch most days. We also now have a salad bar, where children can help themselves to a range of healthy options to accompany their meal.

Our school kitchen was inspected today and we are delighted that, once again, we have been awarded five stars. Well done to all the kitchen staff!
