

## **KS2 Praise Assembly - 3.10.19**

### **6J- Addison Fradgley**

Every morning, Addison comes in to class with a smile and ready to start the day. She is also extremely helpful around class, always offering to do small jobs around the classroom.

However, the reason I have chosen Addison for praise this week is for the resilience and determination she has shown in her work. In particular, I have been really impressed with the work Addison has been doing during our reading comprehension lessons. She listens carefully to the input and always joins in class discussions, sharing her ideas, which is fantastic. Well done, Addison!
