English

- Research how and when WW2 ended. Make short and concise notes, making sure you note down all of the key points - who, what, when, where and why. Then use this information to:

  - Write a newspaper article announcing the end of the war to the British public. Remember to have a catchy headline, a 5 W's paragraph to open and incorporate quotes (correctly punctuated " ").

  - Write a short radio speech announcing the end of the war. Remember to keep it short and to the point. Only include the key facts.
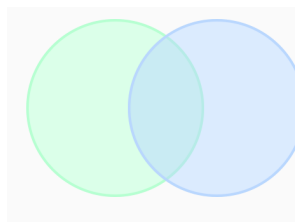

Grammar and Spelling

- Practise words containing the spelling pattern: ei/ie. (e.g achieve, ceiling…)
- Find synonyms (words with the same meaning) and antonyms (words with the opposite meaning) for the following words: courteous, bellow, humble, obstinate.

Maths

- Draw a range of quadrilaterals (4 sided shapes). Practise using a ruler to accurately measure the sides..

- Draw (draw around objects or use a compass) a range of different size circles. Label the radius, diameter and circumference. Then calculate the radius and diameter. Remember diameter is twice the length of the radius.

- Revise prime numbers, factors and multiples. Create a Venn diagram or Carroll diagram to present them.
