

English

- Call your oldest family member or friend and interview them about how Wombourne has changed over time.
- Use the Internet to research the history of Wombourne. Create an information text or fact file.
- Write a short story about something that interests you. Remember to try to create suspense and tension by using different punctuation and sentence types.

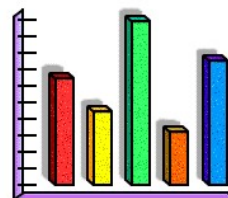

Grammar and Spelling

- Practise the Year 5 and 6 spellings.
- Practise words containing the spelling pattern ei/ie, e.g. achieve, ceiling. Remember the exception words e.g. weird.
- Practise using inverted commas around spoken words. Write a conversation between multiple characters.

Maths

- Revise the written method for multiplication e.g. Th H T O x O or Th H T O x T O.
- Write your own multiplication problems and see if your parents/carers can solve them correctly .
- Practise drawing and describing a range of 2D shapes e.g. an isosceles triangle. Remember to use mathematical vocabulary to describe the angles, parallel or perpendicular sides and the length of the sides.
- Complete the statistics activities on Purple Mash. Don't forget to 'hand in' when completed.

Reading

- Find and read a poem (from a book or from the internet) - practise performing and/or reading the poem aloud using expression.
- Write the definition of two new or unusual words from the poem.
- In one sentence, summarise what the poem is about. Remember when summarising to only include the important information.

Creative - Wombourne

- Pick a UK city that interests you and create a fact file about the natural and man-made features.
- What is topography? Use Ducksters to find out more https://www.ducksters.com/science/earth_science/topography.php
- Use old sponges or shaped potatoes to create shapes for printing. Use them to paint your own landscape picture. Remember to ask an adult to help you with the cutting.
