

Monday 11<sup>th</sup> May 2020

LO: to make predictions based on a text.

## Steps to Success:

- ✓ Read instructions from Magic Teaching box
- ✓ Read myth 'Pandora's Box'
- ✓ Draw predictions
- ✓ Use the text to give you clues for your drawing
- ✓ Explain to your parent/carer why you chose to draw it that way

English

'Pandora's box'

Link to story and work:

<https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y2-Unit.pdf>

Pages of unit to complete: 1-8

Monday 11<sup>th</sup> May 2020

LO: to apply the common exception spellings.

Steps to Success:

- ✓ Read the spelling
- ✓ Say it out loud
- ✓ Cover the spelling
- ✓ Write it from memory
- ✓ Repeat 3 times
- ✓ Challenge yourself to choose the correct spelling for each sentence

**Spelling**

Look, Say, Cover, Write, Check

Challenge: choose the right spelling to add to the sentence

Resources on following slide

**Look** → **Say** → **Cover** → **Write** → **Check**

Word	1st try	2nd try	3rd try
wild			
climb			
mind			
kind			
find			
behind			
child			
children			
because			
eye			

## Challenge

Pick the correct word from your list to go in each sentence:

I bought my friend a present  it is his birthday.

I was late because I could not  my bag.

At lunchtime, the  went out to play together.

We played hide and seek and I hid  the door.

At the zoo, we watched the monkey  up a tree.

Can you make up your own sentences for three of the other words on the list?

## 11.5.20

Maths

Addition

Resource on next slide

LO: to apply addition to solve calculations.

### Steps to Success:

- ✓ Look at the total (answer) e.g.  $\_\_ + \_\_ + \_\_ = 12$
- ✓ Look at the numbers you are given e.g. 6, 7, 2, 4, 1
- ✓ Choose one combination of the three numbers – does it work? E.g.  $4 + 1 + 8 = 12$  (doesn't work)
- ✓ If it doesn't choose a different combination e.g.  $6 + 4 + 2 = 12$  (That works!)
- ✓ Only use each number once
- ✓ Form numbers accurately
- ✓ Check your answers

Extension: how many combinations of three numbers can you use to make 8, 10 or 12?

## Adding Three One-Digit Numbers - Which 3 Numbers?

Choose 3 numbers which add to the total given. Write as a calculation.

1. Which 3 numbers add to 15? 4 5 7 6 1 ___ + ___ + ___ = 15	8. Which 3 numbers add to 20? 6 5 9 2 6 ___ + ___ + ___ = 20	15. Which 3 numbers add to 23? 4 6 8 5 9 ___ + ___ + ___ = 23
2. Which 3 numbers add to 18? 9 1 4 5 8 ___ + ___ + ___ = 18	9. Which 3 numbers add to 7? 4 6 2 3 1 ___ + ___ + ___ = 7	16. Which 3 numbers add to 8? 2 3 5 5 1 ___ + ___ + ___ = 8
3. Which 3 numbers add to 16? 3 7 8 1 2 ___ + ___ + ___ = 16	10. Which 3 numbers add to 13? 3 5 7 9 5 ___ + ___ + ___ = 13	17. Which 3 numbers add to 19? 4 6 8 5 9 ___ + ___ + ___ = 19
4. Which 3 numbers add to 20? 8 4 5 6 8 ___ + ___ + ___ = 20	11. Which 3 numbers add to 11? 3 4 2 5 1 ___ + ___ + ___ = 11	18. Which 3 numbers add to 24? 8 7 6 9 5 ___ + ___ + ___ = 24
5. Which 3 numbers add to 12? 3 2 4 5 1 ___ + ___ + ___ = 12	12. Which 3 numbers add to 22? 7 8 2 9 5 ___ + ___ + ___ = 22	19. Which 3 numbers add to 15? 4 2 6 3 5 ___ + ___ + ___ = 15
6. Which 3 numbers add to 10? 2 3 4 1 3 ___ + ___ + ___ = 10	13. Which 3 numbers add to 17? 6 5 8 2 4 ___ + ___ + ___ = 17	20. Which 3 numbers add to 20? 6 7 3 4 9 ___ + ___ + ___ = 20
7. Which 3 numbers add to 14? 3 5 7 8 4 ___ + ___ + ___ = 14	14. Which 3 numbers add to 9? 4 3 5 4 1 ___ + ___ + ___ = 9	21. Which 3 numbers add to 12? 3 8 1 2 5 ___ + ___ + ___ = 12

Challenge: using just the numbers 1, 2, 3, 4 and 5, find as many ways as possible of adding 3 numbers to make 8, 10 and 12.

Monday 11<sup>th</sup> May 2020

LO: show appreciation to local heroes.

Creative

Thank you heroes

Example of front cover on next slide

## Steps to Success:

- ✓ Choose a local hero to write a Thank you letter e.g. Fire fighter, doctor, nurse, postman/woman, shop keeper, bin men
- ✓ Get a piece of paper
- ✓ Fold in half
- ✓ Write a thank you message to your chosen hero
- ✓ Design a front cover for your card – make it as colourful and as creative as you can
- ✓ Try to send the card to that person either through the post or left somewhere for them to see

**THANK YOU**  
for the daily sacrifices you all make for us to stay safe  
YOUR HARDWORK DOES NOT GO UNNOTICED  
With Deepest Appreciation

Redienne 

**Tuesday 12<sup>th</sup> May 2020**

**LO: to retrieve information from a text.**

## **Steps to Success:**

- ✓ Read instructions from Magic Teaching box
- ✓ Read myth 'Pandora's Box'
- ✓ Read question carefully (underline key words if question is printed)
- ✓ Look at the text to find the answer (if myth is printed underline the answer)
- ✓ Write your answer clearly
- ✓ Copy spellings accurately from the text

**English**

**'Pandora's box'**

**Link to story and work:**

<https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y2-Unit.pdf>

**Pages of unit to complete: 9**

Tuesday 12<sup>th</sup> May 2020

LO: to apply the common exception spellings.

Steps to Success:

- ✓ Read the spelling
- ✓ Say it out loud
- ✓ Cover the spelling
- ✓ Write it from memory
- ✓ Repeat 3 times
- ✓ Challenge yourself to choose the correct spelling for each sentence

**Spelling**

Look, Say, Cover, Write, Check

Challenge: choose the right spelling to add to the sentence

Resources on following slide

**Look** → **Say** → **Cover** → **Write** → **Check**

Word	1st try	2nd try	3rd try
most			
only			
both			
old			
cold			
gold			
hold			
told			
every			
everybody			

## Challenge

Pick the correct word from your list to go in each sentence:

The king wore a crown made of .

The teacher  us to close our books.

I am going to invite  to my party.

In winter, the weather can be very .

Mum asked me to  her hand when we crossed the road.

Can you make up your own sentences for three of the other words on the list?

## 12.5.20

Maths

Addition and subtraction

Resources on next slide

LO: to use the inverse to check the accuracy of calculations .

### Steps to Success:

- ✓ **Inverse means opposite**
- ✓ To check addition calculations, we can use the same numbers in a subtraction  
e.g.  $12 + 7 = 19$  therefore  $19 - 7 = 12$
- ✓ Choose one combination of the three numbers – does it work? E.g.  $4 + 1 + 8 = 12$  (doesn't work)
- ✓ Read the addition calculation, then complete the inverse calculation below to check it is correct
- ✓ Form numbers accurately

Extension: try it the other way round – use addition to check subtraction calculations

## Using Inverse Operations to Check

For each of these addition calculations, work out the answer to the inverse operation, to check whether each answer is right or wrong.

	Correct?		Correct?
$37 + 7 = 43$		$26 + 8 = 44$	
$43 - 7 =$		$44 - 8 =$	
$25 + 8 = 33$		$17 + 9 = 25$	
$33 - 8 =$		$25 - 9 =$	
$47 + 5 = 52$		$22 + 9 = 30$	
$52 - 5 =$		$30 - 22 =$	
$34 + 6 = 40$		$19 + 9 = 28$	
$40 - 34 =$		$28 - 9 =$	
$76 + 8 = 85$		$46 + 7 = 53$	
$85 - 76 =$		$53 - 46 =$	

For each of these subtraction calculations, work out the answer to the inverse operation, to check whether each answer is right or wrong.

	Correct?		Correct?
$45 - 6 = 39$		$22 - 4 = 19$	
$39 + 6 =$		$19 + 4 =$	
$37 - 9 = 26$		$15 - 8 = 10$	
$26 + 9 =$		$10 + 8 =$	
$31 - 3 = 28$		$34 - 7 = 26$	
$28 + 3 =$		$26 + 7 =$	
$42 - 6 = 38$		$51 - 6 = 45$	
$38 + 6 =$		$45 + 6 =$	
$62 - 7 = 54$		$17 - 9 = 8$	
$54 + 7 =$		$9 + 8 =$	

Tuesday 12<sup>th</sup> May 2020

LO: to design your own community.

Creative

Design your own community

Examples of front cover on next slide

## Steps to Success:

- ✓ Decide whether to draw a village, town or city (how big will your community be?)
- ✓ What will you have in your community? E.g. hospital, shops, sports centre, football club?
- ✓ Where will the roads go?
- ✓ Will there be any hills, rivers or footpaths?
- ✓ Add a key (see next slide) to show what some symbols represent
- ✓ Add colour to make your community really eye-catching

# Maps

A map is a picture or drawing that shows the location of human and physical features. Maps often include symbols, instead of words, to show important features. These can be pictures or letters. A key explains what the map symbols mean.

## Key

	abbey		public toilet
	caravan site		sports centre
	gardens		tourist feature
	heritage centre		visitor centre

Wednesday 13<sup>th</sup> May 2020

LO: to use the text to determine the meaning of vocabulary.

## Steps to Success:

- ✓ Read exciting adjectives on page 10
- ✓ Put them in alphabetical order (see example)
- ✓ First look which word starts with the earliest letter of the alphabet
- ✓ If more than one words start with the same letter, look at the second letter
- ✓ Continue until all words are in order
- ✓ Next, look at page 11
- ✓ Look at one word on the left – find it in the text
- ✓ Read the sentence it's in the determine the meaning
- ✓ Find definition on the page
- ✓ Draw a line to match them up (see example)

English

'Pandora's box'

Link to story and work:

<https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Y2-Unit.pdf>

Pages of unit to complete: 10-11

Wednesday 13<sup>th</sup> May 2020

LO: to apply the common exception spellings.

Steps to Success:

- ✓ Read the spelling
- ✓ Say it out loud
- ✓ Cover the spelling
- ✓ Write it from memory
- ✓ Repeat 3 times
- ✓ Challenge yourself to choose the correct spelling for each sentence

**Spelling**

Look, Say, Cover, Write, Check

Challenge: choose the right spelling to add to the sentence

Resources on following slide

**Look** → **Say** → **Cover** → **Write** → **Check**

Word	1st try	2nd try	3rd try
door			
floor			
poor			
even			
great			
break			
steak			
pretty			
beautiful			
clothes			

## Challenge

Pick the correct word from your list to go in each sentence:

The eggs broke when I dropped them on the .

We hang our  in the wardrobe.

Please knock on the  if you want to come in.

There was a  view from the top of the tower.

2, 4, 6 and 8 are all  numbers.

Can you make up your own sentences for three of the other words on the list?

## 13.5.20

LO: to practise x2, x5 and x10 times tables facts.

Maths

Multiplication

Resources on next slide

### Steps to Success:

- ✓ Set a timer for 1 minute (parents you can change this if it adds too much pressure)
- ✓ Complete each set of 10 questions in the given time
- ✓ Remember 2 x 5 means 2 'groups of' 5
- ✓ Write the answer clearly in the box
- ✓ Form numbers accurately
- ✓ Check your working – mark them and see how much you got
- ✓ Try the next set of 10 question – can you beat your score?

You have 1 minute to complete as many questions as you can in each test.  
 After the time is up, check your answers with your helper. Try to improve  
 your score each time you do a test.

$$3 \times 2 = \square$$

$$4 \times 5 = \square$$

$$30 \div 5 = \square$$

$$24 \div 2 = \square$$

Wednesday 13<sup>th</sup> May 2020

LO: to use compass directions to describe positions.

Creative

Compass directions

Example on next slide

## Steps to Success:

- ✓ Draw a picture of your garden or local park (if you can't remember exactly you can make it up)
- ✓ Add colour to your picture
- ✓ Draw compass arrows in the corner of your picture
- ✓ Write descriptions of some positions using the words: North, South, East and West  
e.g. The slide is to the south of the swings.

**Thursday 14<sup>th</sup> May 2020**

**LO: to plan and create a poem based on a magic box.**

**Steps to Success:**

- ✓ **Make your own magic box**
- ✓ **What will it look like?**
- ✓ **Why is it magic?**
- ✓ **How does the magic work?**
- ✓ **Read the poem on Page 14**
- ✓ **Think about what you could say about your magic box**

**English**

**'Pandora's box'**

**Link to story and work:**

path			
bath			

## Challenge

Pick the correct word from your list to go in each sentence:

We went to the park  school.

A  usually has leaves and a stem.

Cows like to eat the lush, green .

I was muddy after football so I had a .

There are 30 children in my  at school.

Can you make up your own sentences for three of the other words on the list?

## 14.5.20

LO: to recognise the relationship between multiplication and division.

### Steps to Success:

- ✓ Look at three numbers e.g. 5, 7 and 35
- ✓ Use them to write two correct multiplication calculations e.g.  $5 \times 7 = 35$  and  $7 \times 5 = 35$
- ✓ Then write two division correct division calculations e.g.  $35 \div 7 = 5$  and  $35 \div 5 = 7$
- ✓ Can you write two incorrect division problems? E.g.  $7 \div 35 = 5$  and  $5 \div 35 = 7$
- ✓ Form numbers accurately
- ✓ Check your working

Maths  
Multiplication and division  
Resources on next slide

## Triangle Statements

Multiplication can be done in any order but division cannot. Can you use the numbers in each triangle to make 2 multiplication calculations that are correct and 2 division calculations that are correct? Can you also identify any division calculations that are incorrect? Use a tick to show your correct calculations, and a cross to show those that are incorrect. An example has been done for you.

Multiplication ✓	$3 \times 5 = 15$
Multiplication ✓	$5 \times 3 = 15$
Division ✓	$15 \div 3 = 5$
Division ✓	$15 \div 5 = 3$
<b>Division ✗</b>	$5 \div 15 = 3$
<b>Division ✗</b>	$3 \div 15 = 5$

**Thursday 14<sup>th</sup> May 2020**

**LO: to give instructions using compass directions.**

**Creative**

**Compass directions**

**Examples of front cover on next slide**

## **Steps to Success:**

- ✓ **Ask a family member to help**
- ✓ **Blind fold your family member**
- ✓ **Place an item somewhere in your house (without them seeing and keep to one floor – avoid the stairs)**
- ✓ **Use the words North, South, East and West to direct them to the item (North being straight ahead, South backwards, West to the left and East to the right)**
- ✓ **Once you finish swap roles and repeat – can you follow their instructions?**

**Friday 15<sup>th</sup> May 2020**

**LO: to use exciting adjectives to write a poem.**

## **Steps to Success:**

- ✓ Think of some adjectives (describing words) to describe your box
- ✓ Re-read the poem on Page 14
- ✓ Write your own poem about your magic box
- ✓ Take inspiration from the poem on Page 14 'The Magic Box'
- ✓ Remember to set your poem out in verses
- ✓ Think about capital letters and spelling

English

'Pandora's box'

## Challenge

Pick the correct word from your list to go in each sentence:

I need eggs, butter,  and flour to make a cake.

“ has finished their work?” asked the teacher.

When I was a baby, I  not talk.

She tried hard to  her work.

He felt sick after eating a  bar of chocolate.

Can you make up your own sentences for three of the other words on the list?

## 15.5.20

LO: to apply times tables knowledge to solve multiplication and division problems.

### Steps to Success:

- ✓ **Read the question**
- ✓ **Highlight important information from the question**
- ✓ **Decide on what it's asking you to do: share equally (divide) or calculate how many lots of something there is (multiply)**
- ✓ **Write the number sentence to solve the problem**
- ✓ **Use your knowledge of times tables to help you answer (remember division is the opposite to multiply e.g.  $2 \times 6 = 12$  then  $12 \div 2 = 6$ )**
- ✓ **Write your answers clearly**

**Maths**

**Multiplication and division**

**Resource on next slide**

## Example:

8. A machine making sweets puts 10 in each packet. If the machine has produced 200 sweets, how many packets can it fill?

I can see there are 200 sweets altogether and they are 'shared equally'; putting 10 in each packet of sweets.

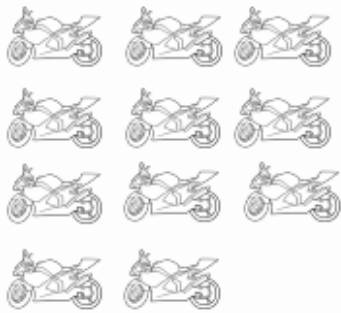

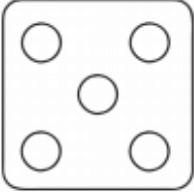

'Shared equally' means divide.

My number sentence would be:

$$200 \div 10 =$$

I know that  $20 \div 10 = 2$  so  $200 \div 10 = 20$

200 sweets would fill 20 packets.

<p>1. How many wheels would 11 motorbikes have?</p>  <input type="text"/>	<p>2. If 7 taxis arrive at the party at the same time, each carrying 5 passengers, how many guests arrive at once?</p>  <input type="text"/>	<p>3. While playing a dice game, Robert managed to throw nine 5s in a row. How many did he score altogether?</p>  <input type="text"/>
<p>4. All four judges gave the dancer a score of 10. How many did she score altogether?</p>  <input type="text"/>	<p>5. 12 people came to the show and they paid £5 each. How much were the ticket sales altogether?</p> <input type="text"/>	<p>6. On a wet day, the teacher finds 32 wellies. How many children will be able to wear one on each foot?</p>  <input type="text"/>
<p>7. Sam is sharing biscuits between himself and his four brothers. If there are 25 in the pack how many will they each get?</p>  <input type="text"/>	<p>8. A machine making sweets puts 10 in each packet. If the machine has produced 70 sweets, how many packets can it fill?</p>  <input type="text"/>	<p>9. Carol gives half of her owl collection to her sister. She has 35 owls remaining. How many did she have to start with?</p>  <input type="text"/>

**Friday 15<sup>th</sup> May 2020**

VE DAY

**LO: to celebrate 75<sup>th</sup> anniversary of VE day.**

## **Steps to Success:**

- ✓ Watch video clip on VE Day: <https://www.bbc.co.uk/teach/class-clips-video/history-ks2-ve-day/z7xtmfr>
- ✓ Today is the 75<sup>th</sup> anniversary of the end of World War II
- ✓ Celebrate VE day with your family
- ✓ Decorate the house in red, white and blue
- ✓ Have a VE day picnic in your front room or front garden
- ✓ Take pictures and email them into school
