Dear Parents and Carers

### Critical Worker Childcare - w/c 1 June 2020

**If you are not a key worker, please do not complete this survey.**

School will continue to open to the children of critical workers as outlined by the government. If your child is in nursery, reception, or Year 1, they will be placed in a group with other children from their class. If your child is in Year 2, 3, 4, 5 or 6, they will be taught in a mixed group of no more than 10 children.

Please click on the following [link](#) if you need to reserve a place for the week beginning Monday 1st June. We will close this survey on **Wednesday 27th May**.

Before and after school club facilities will continue to operate for the families who have been using it to date but will remain chargeable at the current rates. **Unfortunately, we are not in a position to be able to accept any new key worker children in school club.**

Nursery places will also be chargeable if not covered by the 15 or 30 hours provision. Children will be able to bring a packed lunch or to have a lunch provided by school (normal charges apply).

As always, if you have any further questions, please contact the office and we will try our best to help you. Please remember that these are challenging times for us all and sometimes we may not have the answer you are looking for straight away. We will continue to be contactable through the office email or by phone or should you have any queries.

Yours sincerely
