Dear Parents and Carers

Reopening School to Nursery, Reception and Year 1

Following the information we sent out to all parents yesterday, we have now opened a survey for parents to complete if your child will be attending school on Monday 1st June, should the government give the go-ahead on Thursday 28th May. Please remember that Year 1 will be able to return from Wednesday 3rd June.

I appreciate that while things are still not definite, it may be difficult to make your final decision. However, in order for us to be ready on Monday it would help us greatly to have an indication of numbers. The survey will close on Wednesday 27th May but you will always be able to contact the office should you change your mind about anything. Please complete a separate survey for each child.

Once the survey has closed, staff will try to put children in a group with others they are friendly with. We will then inform you of who will be leading your child's group and will also send a photo of their classroom space for you to share with them. This will also include information regards drop off / collection times and places. Parents with siblings in school will be able to drop off / collect all their children at the same time.

Staff are now busy working on activities for children when they return which will focus initially on making them feel as comfortable as possible within their new environment. This will be a difficult transition for everyone but staff are keen to allay the children's fears and to help them settle.

Please contact the office email should you have any further questions or queries and I will get back to you.

Please click [here](#) to complete the survey.

Kind regards.

A handwritten signature in black ink that reads 'E Lote'.
