

Phonics/Reading Opportunities

- Read/listen to 'Commotion in the ocean' by Giles Andreae
https://www.youtube.com/results?search_query=commotion+in+the+ocean
- Find out about your favourite sea creature—use books, a computer or device to find out some facts about it.
- Make your own sea creature fact file.
- Say different under the sea animal names—can you identify their initial sounds (i.e. fish—fff, octopus—o, seal—sss etc.)

Maths Opportunities

- Seaside 'I spy' - Look for one item at a time, how many can you count? <https://www.twinkl.co.uk/search?term=seaside+I++spy>
- Make a maze using tape/strips of paper—use a straw to blow a pom pom or a ball of tissue.—Use positional and directional language (up, down, left, right etc.)
- Play an underwater counting game: <https://www.topmarks.co.uk/learning-to-count/underwater-counting>

Theme: Seaside Holidays

Get creative

- Make a paper chain octopus—use your favourite colour or lots of different colours.
- Make a salt jellyfish—use glue to create jellyfish shape, add salt and use little drops of paint to colour the salt.

Get outdoors

- Target game—Draw a target outside using chalk or on paper—have a go at throwing a ball/beanbag on to it (Challenge: make different sized zones—smallest 'zone' gets the biggest score)
- Draw out an outline of your name on a large piece of paper/cardboard—paint and decorate each letter.
