

## Explore music and movement

- Create different size tunnels and see how many you can crawl under on your hands and knees and tummy.
- Sound bag. Using a bag place different object in that related to rhymes and songs you like to sing.
- Read the story 'We're Going on a Bear hunt' and move to the way the characters in the story do.

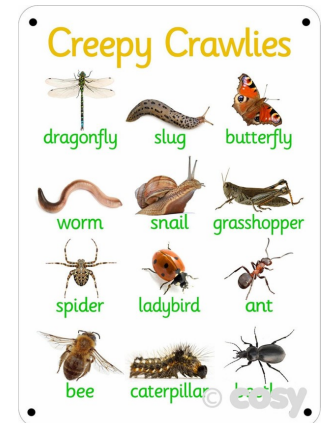

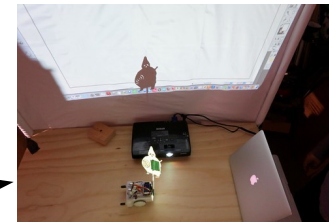

## Maths Opportunities

- Car race. Race your cars along a ramp or slide and see whose car goes the furthest.
- Make a caterpillar sandwich using different shapes.
- Find different numbers in the home and match to number flash cards.

## Get creative

- Freeze small animals in ice. Play and watch them melt.
- Use the sun to draw shape shadows.
- Make cheerio bird feeders on string and hang around the garden.

## Get outdoors

- Mini beast walk. While out and about see how many different mini beast you can find.
- Make the most of the sun and enjoy baby yoga outdoors.
- Make your own car wash when it rains and wash your toy car as a drive through car wash.
