

English

- Write a story from the point of view of a piece of food that is being eaten and going into the human digestive system.
- Include scientific vocabulary by naming all of the places the piece of food goes to.
- Use adjectives to describe what the food sees and sounds it might hear.
- Add humour to your story with funny things that happen to the food.

Reading and Spelling

- Read at least 10 minutes per day.

Spell words with 'sc' and put them into sentences

Practise these words by writing them out.

Science descend ascend

Abscess crescent scissors

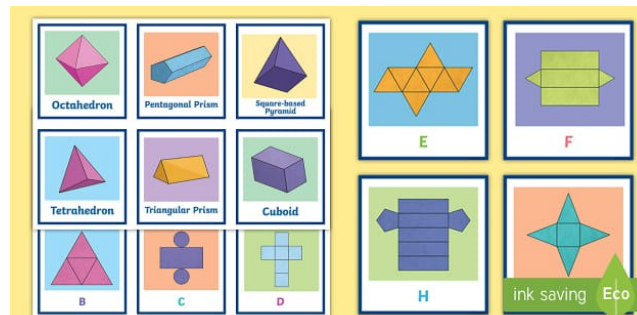

scene

Maths

- Practise Times Tables Rock stars and Year 4 Multiplication check on line.
- Karate cats maths—challenge for the harder level of maths work.
