Dear Parents and Carers,

Before and After School Wrap-a-round Care

As the end of term is approaching quickly, the office is beginning to have requests for information about our before and after school provision for Autumn Term. We are looking to offer some provision although this will probably be in a different way to how it has operated previously to allow us to ensure we minimise all of the risks posed through Covid-19. For instance, if we are able to operate, it is likely that parents would have to book regular slots for the half term and no additional sessions could be offered. Parents working shift patterns would have to book a place and work with Mrs Hubbard to inform of sessions needed.

In order for us to make any plans could you please [click here](#) and complete the survey if you would be looking to use before and after school club from September. **This is not a booking or a guarantee that the provision will be available.**

We hope to confirm what we will be able to offer before the end of next week.

Yours sincerely,

A handwritten signature in black ink that reads 'Lote'.
