

Thursday 9th July 2020

Dear Parents and Carers

Reports 2020

Before the end of this week, you should receive an email with your child's report for this school year attached. Not all year groups will get them at the same time or on the same day; it may be Thursday or Friday. If you have not received an email by Friday lunchtime, please contact the office.

Things are a little different due to the closing of schools to most pupils as a result of Covid-19. Your child's teacher has written an attainment comment for each area of the Early Years Foundation Stage Profile.

On Track	Your child was working where we would expect them to be at that point in the year.
Emerging	Your child had areas where they were finding it difficult to work without support.

This report is for your information only and is based on much less curriculum content than normal.

I would like to reassure you again that as children return to school in September, their learning in all subjects will be reviewed in a range of ways, allowing us to plan for their varied starting points. Some children will need more support than others and more individualised learning programmes will be planned where they are needed.

If you feel there is anything in this report that you need to discuss with the teacher, please email the office and this will be passed on to the classteacher. Where possible they will reply via email or by telephone.

If your child left anything in school when we closed to most children in March, please contact the office to arrange to collect these items so that they do not get lost over the Summer holidays. Any goods left in school after next Friday 17th July, will be thrown away.

Yours sincerely

Emma Lote
