Creative

Throughout our creative topic we will be exploring the history of the Tudor period in many exciting ways.

- ◆ A timeline of important events in the Tudor period will be created to guide the children throughout their topic as a point of reference.
- ◆ Through independent research, we will discover the impact of the Tudor monarchs on Britain and how they influenced the lives of the people.
- ◆ Creating a royal family tree to understand how they came to the throne.
- ◆ Sketch and paint a Tudor portrait.

By the end of the topic you should know the answers to these questions...

Who were Henry VIII wives?

What happened to Henry's wives?

How did the Tudors live?

What was the Tudor rose?

Why did the monarchs have portraits of themselves?
