Sports Day - Thursday 4th July

In the end, we couldn't have asked for a better day for Sports Day on Thursday. A huge thankyou to all the parents and grandparents who were able to support the children through the activities yesterday. It was wonderful to see all the children enjoying taking part in the events. Mr Andy Morgan did a fantastic job organising and hosting the events on the day, ably supported by his background crew of staff who helped with setting up. I am sure you will agree that the Year 6 helpers for Key Stage 1 sports were super in their role and really supported the children through their activities.

It was also good to see such healthy competition between the adults in the parents races both morning and afternoon as well as our future pupils in the siblings race!

Finally, we would like to say **THANKYOU** to **SPAR** who donated water and stickers for the day.

Carnival—Sunday 7 July

Don't forget Wombourne carnival on Sunday 7th July.

I'm sure you will have noticed in the shops around the village that the theme this year is "The World of Books". The floats are due to leave the Civic Centre at 12.00pm after judging has taken place. There will be lots of activities in the car park behind the Civic Centre for you to join in with.

Good Luck to the Westfield Float which has been organised and created by our PTFA—**THANKYOU!** Each of the classes in school has helped prepare items to decorate the float.

Plea for uniform for Uganda

We are collecting uniform for children in Uganda so if you have any green jumpers, dresses or shorts you no longer require please send them in to the school office. Thank you

Summer Reading Challenge

The Summer Reading Challenge is back for 2019 at Wombourne library.

The Summer Reading Challenge is designed for children between the ages of 4 and 11. Last year three quarters of a million children took part.

This year's Summer Reading Challenge is called Space Chase; linking with celebrations for the 50th anniversary of the Apollo 11 Moon Landing in 1969.

As children read library books on the Summer Reading Challenge, they will receive a host of stickers, some with mysterious smells. By collecting the stickers on their collector poster, young readers will help the Rocket family in their Space Chase!

Please [Follow this link](#) for further details and online activities to join in with.

Keele

On Friday 28th June, participants from Years 3 and 5 attended the School Games finals day at Keele University. Having qualified from the two previous rounds, pupils were invited to run in the cross country final on the day. The teams performed admirably, and showed resilience and determination in abundance. A special mention should go to 5K's Nell R, who achieved 3rd place in a field of more than 80 runners.
