Accelerated Reader

All of the children in Key Stage 2 are now busy reading their accelerated reader books. We have added lots of new titles since the start of term to give the children a wide selection to choose from.

Parents please remember you can access your child's information online to see how well they are performing in quizzes. Your child will bring a letter home showing you how to do this. I know some of you have already accessed this and set the link up to receive an email every time your child does a quiz. It really supports the children to know you are involved with their reading.

Children are also able to choose books they may have at home to read. There is a book guide available online where children can check if their book is on the system and whether it is their level. All they have to do is bring their book to school each day for when they have their reading time.

We're Going On A Scarecrow Hunt!

Children in nursery are busy making their scarecrow for this year's scarecrow hunt.....

"It's free and fun, so come and join in the Scarecrow Hunt taking place on Saturday 5th October from 11am to 1pm. (Last entry will be at 12.30pm.) The event will start from Kingsway Church, High Street, in Wombourne.

Please make sure that all children are accompanied by an adult."

Congratulations to Our Marvellous Winners

Earrings

A reminder to parents that children should not be wearing earrings for PE. If it is your child's PE day, and they are unable to take their earrings out themselves; please take them out at home. Staff in school are not allowed to remove earrings.
