### Remembrance Sunday

Thank you for sending money in to school for your child to purchase to Poppy. We would also like to say a big thank you to Florrie, 4S and her parents for laying the wreath at the Remembrance Service, held at St. Benedict Biscop's Church, on behalf of Westfield.

School fell silent for 2 minutes at 11.00am on Monday, Armistice day, to commemorate those who died in the WW1 conflict.

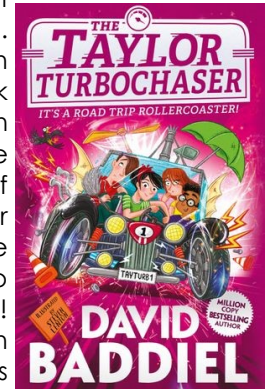

### Children in Need

It has been wonderful to see children and staff dressed up in support of Children In Need today. All donations are greatly appreciated and go towards a great cause. By raising money we can help support the vision that every child in the UK has a childhood which is safe, happy and secure, allowing them to reach their true potential. There were three competitions running throughout the day and winners will be revealed next week. Thank you again to everyone who took part, we will let you know next week the total amount raised.

### David Baddiel

A group of children from Year 6 visited the Grand Theatre today to listen to the award-winning comedian, presenter and best selling author, David Baddiel. David entertained the children by talking about his new book and his experiences as an author. All the children came away with a signed copy of David's new book, The Taylor Turbochaser, and we hope the children left feeling inspired to read and write creatively! Thank you to Wolverhampton Grammar School for this fabulous opportunity!

### Sports Leaders

This afternoon a group of children have met with children from other schools in the local area to think about sports leadership. After today, they will be able to help organise activities on the playground for children at lunchtimes. Thank you to Chris Wood, who organises our local schools games competitions, for providing this opportunity for the children.

### Anti-Bullying Week

Children have taken part in Anti-bullying activities throughout school this week. They have been learning the definition of bullying, identifying bullying when given a range of different scenarios, ways to stop bullying and what to do if a child is being bullied. The theme this year has been Change Starts With Us! This means that the smallest changes can make a big difference. At Westfield we really emphasise the importance of being kind and being a good friend to all.
