Year 5/6 WAKAPS League Match

The Year 5/6 football team played their first match yesterday, in the WAKAPS league against All Saints' Primary, Trysull. They played exceptionally well and won the match!

The team made a great start and worked well, the first goal came from Harry followed by three more goals from Joe, Matt and Josh. A super team effort and a great start to the season, well done boys!

Sport Relief 9th—13th March 2020

Sport Relief 2020 is just around the corner and we've decided to get active, have fun and change lives. To raise money, we're going to:

- Hold a get your kit on day (Friday 13th March)
- Run/walk/skip the Sport Relief Mile as a whole school challenge (Friday 13th March)
- Run a series of class/house tournaments in PE lessons all week

Our school will join people of all ages across the UK on Friday 13th March and wear sports kit for the day in return for at least a £1 donation. To up their game, pupils and staff can dress as their sporting heroes and heroines.

Also on Friday, classes will go out on to the school field/playground during the day and see how many miles they can complete in half an hour. As a school we are going to make it a personal challenge to see just how many miles we can achieve in a single day. All children who take part will receive a Sports Relief sticker, with classes and year groups who achieve the most mileage also getting a certificate.

Throughout the week in PE lessons, children will also compete in a range of sports tournaments class v class and house v house. The money we raise will be used to change countless lives, both here in the UK and worldwide.

We really appreciate your support and hope that you'll have fun helping us raise lots of money for Sport Relief.

Snow

In the event of inclement weather, parents will be notified of any school closures via a text message. Please ensure the school office has an up to date mobile contact number. You can also check the school website.
