### Sport Relief 9th—13th March 2020

Sport Relief 2020 is just around the corner and we've decided to get active, have fun and change lives. To raise money, we're going to:

- Hold a get your kit on day (Friday 13th March)
- Run/walk/skip the Sport Relief Mile as a whole school challenge (Friday 13th March)
- Run a series of class/house tournaments in PE lessons all week

Our school will join people of all ages across the UK on Friday 13th March and wear sports kit for the day in return for at least a £1 donation. To up their game, pupils and staff can dress as their sporting heroes and heroines.

Also on Friday, classes will go out on to the school field/playground during the day and see how many miles they can complete in half an hour. As a school we are going to make it a personal challenge to see just how many miles we can achieve in a single day. All children who take part will receive a Sports Relief sticker, with classes and year groups who achieve the most mileage also getting a certificate.

### World Book Day

On Thursday 5th March, we celebrated World Book Day. All of the children enjoyed coming dressed as their favourite book characters, and sharing books with their peers. In school, the children were introduced to the book 'Rhythm of the Rain' by Grahame Baker-Smith by the KS2 Book Worms during assembly. Throughout the day, the children completed many fun activities based on the books. Such as: poetry, story writing, painting, mosaic making and drama.

### Coronavirus

The Department for Education has launched a new helpline to answer questions about COVID-19 related to education. Staff, parents and young people can contact the helpline as follows:

Phone: 0800 046 8687

Email: [DfE.coronavirushelpline@education.gov.uk](mailto:DfE.coronavirushelpline@education.gov.uk)

Opening hours: 8am to 6pm (Monday to Friday)

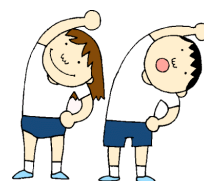

The latest guidance for education settings is available [here](#).

### Parents' evening

Once again, it was great to see such a good turn out to Parents evening this week. We hope you enjoyed seeing your child's work. Please remember that if you ever have any concerns or questions, you can call the office to speak to a member of staff.

### Plea for items

We are pleased how busy our new library has become over the last 12 months and it's great to see the children eagerly choosing their next book! We do have an extensive stock of books but could always do with more! We would gladly accept any donations of lightly used fiction or non-fiction books in new or good condition.

We are also in need of spare PE kits and pumps, we would be very grateful to receive any unwanted kit in a good clean condition. Thank you in advance.

### Year 3 Visit to Cadbury World

Year 3 had a 'scrumdilyumptious' time at Cadbury World this week. They found out about how cocoa beans are grown in Ghana and processed in England to create chocolate. They had a chance to write their names in chocolate and choose different toppings to create their own chocolate desserts. Best of all they got to bring some chocolate back!
