Coronavirus

As things currently stand, school will continue with planned activities until we are advised otherwise, in which case we would notify you as necessary.

The latest information which impacts on school is that any adult / child who displays symptoms of a high temperature or a persistent cough should self-isolate for 7 days. If a child or adult were to display such symptoms during the school day, we would ask that they go home and begin the 7 day isolation. Please follow this link for further information, [Advice on the Coronavirus for Places of Education](#).

Earlier in the school year, we had already made a decision to change the format of our Easter services. It was decided that this year Key Stage 2 would not perform for parents but would enjoy an Easter assembly in school celebrating their decorated eggs and Easter bonnets. It was also decided to have an Easter assembly for Key Stage 1 and another for EYFS on a smaller scale so that children could parade their Easter bonnets and sing some songs rather than an Easter performance. Parents would be invited to join us for these.

Sport Relief

Children have had a fabulous time this week, taking part in the challenges for Sport Relief 2020. We will update you next week with the exact mileage the children ran today.

Thank you for the donations received in exchange for wearing sports kit today, we've raised £331.00!

Wombourne Carnival

Westfield PTFA have started to plan for this year's carnival and will be holding a meeting on Wednesday 18th March, 8.00pm at the Round Oak Pub. Anyone who is able to help out in any way with this year's carnival, are welcome to attend.

Year 2 Big Sing

Year 2 will be taking part in a singing event with other local primary schools at Westfield on Tuesday 17th March during the morning. This is a lovely opportunity for the children to work together on some songs under the guidance of Lichfield Cathedral School who are leading the project.

Nursery Funding—30 hours

We would like to remind parents of Nursery children who access the 30 hour funding to re-check their eligibility. Eligibility for the 30 hours funding must be re-confirmed every 3 months and can be completed by logging in to your Gov.uk childcare account. If this isn't completed by the deadline given the extended funding will end.

Year 4 Music Share

Year 4 are also participating in a Music Share project that has been rehearsed in school over the last few weeks. On Friday 20th March, Year 4 will be joining other schools at Wombourne High to perform their collaborative songs to parents and relatives.

These are both fantastic opportunities for the children to develop their singing voices and perform together with other children.
