Dear Parents and Carers,

We made it!

I think we can all let out a huge sigh of relief (parents and staff alike) that half term has arrived. Your support as parents with home learning has been fantastic and the children have all produced some excellent pieces of work across the six weeks. We are so proud of them all. The new social sessions seem to be a real success with the children giving them time each week to catch up with their friends and have some fun. We are really looking forward to the prospect of children returning to school soon though.

In the meantime I hope you all stay safe and well during the break from school and school work and hopefully the weather will help us enjoy the outdoors.

MyOn Digital Library

Last week, we introduced you to MyOn digital library, if you haven't logged on yet, take a look to find a super range of story books and non-fiction books. Full instructions are on your child's Google Classroom.

Key Stage 1 parents will have been sent an email with their child's log-in details today.

A big thumbs up to the children in Key Stage 2 who have already starting reading! I have had a look today and can see you have chosen some super books.

Support

Through emails and phone calls, we have worked to try and stay in touch with all of the families in school. We recognise how difficult this situation can become and we are very aware that some families have been hit really hard by the impact of Covid.

Please remember to contact us if there is anything we can do to help support you and your family. As we have mentioned in previous newsletters, there have been many offers of support from our local community and we can often help to put you in touch with people who may be able to help or advise.
