

Opening Minds, Shaping Futures

Newsletter No. 34—Friday 17th June 2022

Due to the hot weather today, we have spent some of our lunchtime and PE lessons inside to protect everyone from the sun. Let's hope we continue to have some sunshine over the coming weeks.

We are currently having some building works in school to replace our boilers which should help us run more efficiently. We also have some projects lined up to increase security and safety at the front of school which will provide a separate pedestrian and vehicle access to school with an intercom system which should start in July.

Dates for your Diary
