Attendance

Regular attendance in school has a direct impact on children 's attainment and well-being. If your child is unable to attend school due to illness, please call the office from 8.00am to inform us of your child's absence. If you are planning a visit or holiday, it is important to remember that a holiday request form needs to be completed before the absence. As a school we are not able to authorise holiday requests unless there are exceptional circumstances but the forms should still be completed. A family can be fined for taking children out of school during term time.

On a positive note we have had some great attendance since the start of term and would like to congratulate Beech class for their 98.5% attendance so far.
