Opening minds, shaping futures

Girl's Football

To mark and celebrate women and girls in football and in conjunction with International Women's Day on 9th March, Westfield girls took part in a football tournament hosted by Blakeley Heath Primary on Thursday 14th March. Two teams from Y4-6 played 5 games each against local schools in the round-robin event. The rain didn't seem to put the girls off as they played their hearts out. Both with wins under their belt, the final games couldn't have been more crucial as Westfield B came 4th over all and Westfield A won the whole thing on goal difference, drawing on points with hosts Blakeley. Well done on your achievement girls and for doing yourselves and Westfield proud! Your determination and positivity, not to mention your fabulous football, was a credit to you!

British Science Week

To kick off British Science week KS2 had a visit from Super Sonic Sue and got to see some fun and fabulous science experiments. All children have been busy creating posters based on this year's theme of Time that will be entered into a competition.

Dates for your Diary:

19th March – School Nurse – (Weight&Height)

19th March – Laches Wood Parent Meeting

21st March – KS2 Easter Egg competition

22nd March– KS1 Easter Bonnet Parade

22nd March – Last day of term

8th April – Back to school!

Thank you to everyone who attended this term's Parents' Evenings.

It was lovely to see everyone for a catch up on progress.

We hope you found the sessions informative and we look forward to seeing you in school again soon! If you haven't sent your questionnaire back but you want it to be included

in our survey, please return it on Monday 18th March.

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
